

Best Choice For Right Roof

About Us

DRF (Definite Roof Fix) is a waterproofing company established in 2019 in Kerala. It is the sister company of the reputed NUCTA, the pioneers of home solutions. We have a wide range of waterproofing solutions for all surfaces like basements, podiums, wet areas, water bodies, terraces and roofs. The company's philosophy of genuine commitment to its customers led to the launch of the industry's first comprehensive warranty that assists customers to diagnose the problem and help to choose the right product. Our solutions are impactfully designed considering the complexity of large structures and thus provide better durable and sustainable structures. We prioritise technical service with our expert technicians who use DRF Products.

Our Mission

Deliver exceptionally high standard, durable and affordable construction chemicals and water-proofing solutions for architects, engineers, builders and other end-users who need assurance in the integrity of Secureness and Safety.

Our Vision

We foresee ourselves as the most reliable water-proofing solution that offers an effortless and convenient solution with uncompromised roof designs that ensures healthy homes for a healthy society.
